

Welcome to the Training Site Repository

Description

This site is designed to be straightforward and simple for new team members in the department, providing an effective study resource. Please note that some files have not been uploaded due to confidential information.

Features

- **User-Friendly:** The site is designed to be intuitive and easy to navigate.
- **Educational Resource:** It serves as both a training tool and a continuous learning resource.
- **Confidentiality:** Some files are excluded to protect sensitive information.

Technologies Used

- **HTML:** For structuring the website.
- **CSS:** For styling and layout.

Usage

To use this site, clone the repository and open the assets/signin.html file in your web browser.

- `git clone https://github.com/paineli/PACSTrainingWebsite`
- `cd training-site`
- `open signin.html`
